

HRITIK KABRA

857-284-2642 | kabra.h@northeastern.edu | [LinkedIn](#) | Boston, MA (Open to Relocation & Travel)

EDUCATION

Northeastern University

Master of Professional Studies in Analytics | GPA: 3.91/4.0 | 2026 Graduate Student of the Year

Boston, MA

Sep 2024 – Jul 2026

Dr. B R Ambedkar National Institute of Technology

Bachelor of Technology in Materials Science & Engineering

Jalandhar, India

Jul 2017 – Jun 2021

TECHNICAL SKILLS

Process & Standards Management: SOP Development, Governance Frameworks, Process Documentation, Lean Six Sigma Green Belt — DMAIC, Root Cause Analysis, Theory of Constraints, SAP S/4HANA

Analytics & Decision-Making: SQL, Python (Pandas, NumPy, Scikit-learn), R, Predictive Modeling, Financial Modeling, Regression Analysis, Excel Models

Platform & Reporting: Power BI, Tableau, Microsoft 365, Executive Dashboards, Data Storytelling, Written Deliverables, Stakeholder Presentations

Collaboration & Leadership: Cross-Functional Facilitation, Change Management, Stakeholder Management, Continuous Improvement, Workshop Design, Multilingual (English, Hindi, Spanish)

PROFESSIONAL EXPERIENCE

Web Industries

Business Intelligence Analyst Co-op

Boston, MA

Jul 2025 – Dec 2025

- Directed analytical workstreams across 5 global aerospace facilities, applying structured process documentation and governance frameworks for SpaceX, Boeing, and Blue Origin on a **\$1B** manufacturing operation
- Designed executive dashboards and scenario planning models in Power BI and Python, delivering C-suite supply chain governance insights and improving on-time delivery by **68%**
- Applied Lean Six Sigma DMAIC to structure cross-functional root cause analyses and standards reviews, delivering process improvement recommendations that reduced cycle time by **25%**

Trident Group

Analytics Lead, Office of the Managing Director

Bhopal, MP

Sep 2021 – Nov 2023

- Spearheaded supply chain consulting workstreams embedded with PwC, Deloitte, and Grant Thornton, applying hypothesis-driven analysis and process documentation at a **\$4B** global conglomerate, driving total savings of **\$50M**
- Owned cross-functional market sizing, financial modeling, and competitive benchmarking for Fortune 500 retailers (Walmart, Target, Amazon), quantifying revenue optimization potential at **\$12M**
- Engineered predictive models using SQL and Python to optimize supply chain demand planning, improving forecast accuracy by **35%** and reducing inventory carrying costs by **18%**

PROJECTS

SAP S/4HANA Enterprise Transformation

Project Lead (with Bristlecone)

Trident Group

Jul 2022 – Nov 2023

- Orchestrated end-to-end ERP transformation across six supply chain modules, managing a 7M-record migration with automated validation workflows and governance checkpoints, delivering an efficiency gain of **35%**; recognized as **Employee of the Year**

Theory of Constraints: Enterprise Bottleneck Elimination

Continuous Improvement Lead (with PwC & Grant Thornton)

Trident Group

Apr 2023 – Nov 2023

- Championed enterprise-wide process optimization using Theory of Constraints and Lean methodologies, eliminating critical production bottlenecks to achieve **40%** throughput improvement and **95%** on-time delivery

CERTIFICATIONS, ACHIEVEMENTS & LEADERSHIP

- McKinsey Forward Ambassador:** Selected as 1 of **60** Ambassadors from **3,300** global applicants (Top **1%**); delivered keynote to **2,300** learners on structured problem-solving; recognized as **Top Referrer**
- FIFA World Cup 2026 Operations Volunteer:** Applied Six Sigma process mapping to uniform distribution workflows, delivering actionable operations recommendations commended by event leadership across diverse, fast-paced environments
- Lean Six Sigma Green Belt (ISI) | Co-authored **Taylor & Francis** CRC Press chapter (findings adopted by Government of India) | **Two-Time National Champion**, One Day CEO Challenge | Google BI Professional Certificate
